About the show

Fathernetics | Dad Hero StoriesReal stories from the men who chose fatherhood and everything it took to get there. From adoption and fostering to IVF and surrogacy, Fathernetics explores the journeys behind modern dads, who they were before, what they faced, and who they became along the way. Centered on LGBTQ+ men, with occasional perspectives from women reflecting on their own fathers, these are honest, unfiltered conversations about identity, resilience, relationships, and the realities of building a family. Because becoming a dad isn't simple and it's never one-size-fits-all. Hosted by Jameel Mayers YouTube & Instagram: @fathernetics New episodes every Thursday
