Entrepreneur's Enigma: 20-Minute Entrepreneur & Founder Interviews

Media kit

Business · Part of Goldstein Media

About the show

Most business podcasts interview people who raised a round or sold a company. This one doesn't.Every Tuesday, Seth Goldstein spends twenty minutes or so with a founder or entrepreneur actually running a business. Translators, designers, coaches, agency owners. People who left a job and built something real. Seth was a journalist for six years, so he arrives with a question and gets out of the way.
